

Be Counted as a Donor to TCU!

Office of Loyalty Giving

Annual gifts provide operating budget support to directly benefit every student and faculty and staff member. Financial gifts help defray operating expenses and also underwrite scholarships, research and athletics.

The Clark Society

The Clark Society honors TCU's leadership donors who make gifts of \$1,000 or more per year. Special Clark Society programs include educational seminars, tours and recognition events.

Loyal Purple

TCU's Loyal Purple program celebrates thousands of alumni and friends who make a gift of any amount, anywhere within the university, each fiscal year. Loyal Purple is brought to you by the TCU Clark Society. Loyal Purple status begins once you make your second consecutive annual gift and is maintained through ongoing annual philanthropic support.

TCU Frog Club

TCU has been competing in intercollegiate athletics for over a century. Since 1940, the TCU Frog Club has been supporting our student-athletes through fundraising to underwrite scholarships for individuals who participate in Horned Frog Athletics.

A \$1,000 gift to the Frog Club also qualifies you as a member of the Clark Society.
